## EMERGENCY MEETING

### How a newly revised bill affects collision repairers

Body shops may face some upcoming challenges with the newly proposed bill, AB 2276. In the first CAA meeting of the year, attorney Jack Molodanof will help explain new revisions to bill AB 2276 and how they will affect Labor Rate surveys.

With expertise in both business and policymaking in Sacramento, Molodanof has advocated for the well-being of both the general public and body shops. Join the CAA on April 28th to learn more.
